This document is a translation made by SHK of the original response in Swedish to the safety recommendation. In case of discrepancies between this translation and the Swedish original text, the Swedish text shall prevail in the interpretation of the response.

**Response to the Swedish Accident Investigation Authority regarding recommendation issued to MSB with reference to a maritime accident in Hjälmarén RS 2015:06 R4**

MSB intends to improve training in the area of collaboration by means of implementing common grounds for command and collaboration in, e.g. emergency service training.
