

Swedish Transport Agency

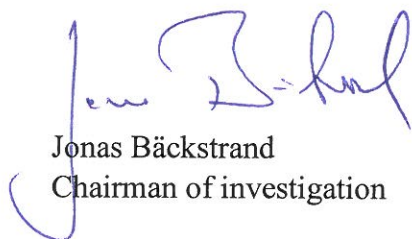

Report RJ 2014:04 of the Swedish Accident Investigation Authority

The Swedish Accident Investigation Authority (Statens haverikommission - SHK) published a report the 4 July 2014 concerning a level crossing accident with a train and a truck between Hägernäs and Rydbo the 9 February 2012. In the report SHK issued two safety recommendations to the Swedish Transport Agency (Transportstyrelsen).

The Swedish Transport Agency has responded to the recommendations and described the actions it has taken and intends to take.

SHK considers that the Swedish Transport Agency's response is satisfactory and that the recommendations have been taken care of.

On behalf of SHK,

Jonas Bäckstrand
Chairman of investigation
