SHK assessment of response from the Swedish Transport Agency

The 25 January 2018 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published the final report RL 2018:01 about an accident where an aircraft collided with a car at Gnesta/Vängsö airport. In the report, a safety recommendation was issued to the Swedish Transport Agency.

The Transport Agency has responded to the safety recommendations and described the measures taken.

SHK considers that the response is satisfactory and that the recommendation has been taken care of. (Closed – adequate response)
