Assessment of response to safety recommendation issued to the Federal Aviation Administration in the report RL 2017:08

On 11 September 2017 the Swedish Accident Investigation Authority (SHK) published a report, RL 2017:08, concerning a serious incident at Malmö Airport on 29 September 2016. In the report SHK issued one safety recommendation to the Federal Aviation Administration (RL 2017:08 R1).

The Federal Aviation Administration has replied to the safety recommendation and has informed SHK of the actions taken and under consideration.

SHK considers the reply adequate (Closed – adequate response).
