SHK assessment of response from the Swedish Transport Agency

The 12 March 2018 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published the final report RS 2018:03 about a marine accident involving a RIB boat in Stockholm. In the report, three safety recommendations were issued to the Swedish Transport Agency.

The Transport Agency has responded to the safety recommendations and described the measures that will be taken.

SHK considers that the response is satisfactory and that the recommendations have been taken care of. (Closed – adequate response)
