SHK assessment of response from the Swedish Transport Agency

The 19 March 2021 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published the final report RL 2021:02 about a serious incident involving an aircraft of the type Piper PA-28 at Gothenburg/Säve flygplats. In the report, a safety recommendation was issued to the Swedish Transport Agency.

The Transport Agency has responded to the safety recommendation and described the measures taken.

SHK considers that the response is satisfactory and that the recommendation has been taken care of. (Closed – adequate response)
