SHK assessment of response from the Swedish Civil Contingencies Agency

The 23 February 2018 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published the final report RS 2018:02 about the grounding and capsizing of the general cargo vessel Sternö at Lilla Edet. In the report, a safety recommendation was issued to the Swedish Civil Contingencies Agency to consider in cooperation with the County Administrative Board of Västra Götaland County.

Both the Swedish Civil Contingencies Agency and the County Administrative Board of Västra Götaland County have responded to the safety recommendation and described the measures taken.

SHK considers that the response is satisfactory and that the recommendation has been taken care of. (Closed – adequate response)
