Assessment of the Swedish Work Environment Authority's response to the Swedish Accident Investigation Authority's recommendation in the report RS 2019:01

On 12 February 2019, the Swedish Accident Investigation Authority (SHK) published the report RS 2019:01 DECLAN DUFF – Accident in conjunction with unloading of cargo in Oxelösund, Södermanland County on 16 March 2018. The report contained a recommendation for the Swedish Work Environment Authority (RS 2019:01 R1). The Swedish Work Environment Authority has responded to the recommendation, describing the measures taken and which they intend to take.

SHK considers the response satisfactory and the recommendation implemented.
