

Swedish Transport Agency

Assessment of the Swedish Transport Agency's response to the safety recommendation in the report RJ 2022:02

On 2 June 2022, the Swedish Accident Investigation Authority (SHK) published a final report (RJ 2022:02) into a derailment involving a freight train between Kummelby and Häggvik, Stockholm County, on 11 February 2021. In the report, SHK directed a safety recommendation at the Swedish Transport Agency (RJ 2022:02 R3).

The Swedish Transport Agency has responded to the safety recommendation and described the action that has been taken and that will be taken in future.

SHK deems the safety recommendation to have been implemented (Concluded – satisfactory response).
