SHK assessment of response from Swedish Transport Agency (SHK report RS 2015:06)

The 24 June 2015 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published the report RS 2015:06 about a very serious marine casualty in lake Hjälmaren the 22 June 2014. In the report three safety recommendations were issued to the Swedish Transport Agency.

The Swedish Transport Agency has responded to the safety recommendations and described the measures taken and the further measures that will be taken. SHK considers that the response is satisfactory and that the recommendations have been taken care of. (Closed – satisfactory response)
