

Stena Line Scandinavia AB

### **Assessment of response from Stena Line, SHK report 2015:04**

The 29 May 2015 the Swedish Accident Investigation Authority (SHK - Statens haverikommission) published the report RS 2015:04 about an accident on board the passengershship STENA SAGA in Fredrikshamn, Denmark, the 31 May 2014. SHK issued four safety recommendations to Stena Line, of which one concerned Stena Line Denmark (stevedoring company).

Stena Line has responded to the recommendations and has described the measures taken.

SHK considers that the response is adequate and that the recommendations has been taken care of. (Closed – adequate response)
