Assessment of the Swedish Maritime Administration's response to the Swedish Accident Investigation Authority's recommendations in the report RL 2018:08

On 20 August 2018, the Swedish Accident Investigation Authority (SHK) published the final report RL 2018:08 concerning an accident in Älvsbyn, Norrbotten County on 26 September 2017. Two recommendations were submitted to the Swedish Maritime Administration in this report (RL 2018:08 R4 and R5). The Maritime Administration has responded to these recommendations and described the action it is taking and intends to take.

SHK deems the response to be satisfactory and the recommendations to have been implemented.
