Assessment of response to safety recommendation issued to the Federal Aviation Administration in the report RL 2018:08

On 20 August 2018 the Swedish Accident Investigation Authority (SHK) published a report, RL 2018:08, concerning an accident in Älvsbyn, Norrbotten County, on 26 September 2017. In the report SHK issued two safety recommendations to the Federal Aviation Administration (RL 2018:08 R1 and R2).

The Federal Aviation Administration has replied to the safety recommendations and has informed SHK of the actions taken and under consideration.

SHK considers the reply adequate (Closed – adequate response).
