## **SHK assessment of response from the Swedish Armed Forces**

The 16 March 2018 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published the report RM 2018:03 about a serious incident and near collision between Swedish and French military aircraft during the international exercise ACE 17 in the airspace northwest of Arvidsjaur.

In the report SHK issued four safety recommendations to the Swedish Armed Forces. The Armed Forces have responded to the recommendations and have described the measures taken as well as future measures to be taken.

SHK considers the response to be satisfactory and that the recommendations have been taken care of. (Closed – adequate response).

Best regards,

Jonas Bäckstrand  
Chair of investigation
