Assessment of the Swedish Armed Forces' response to the recommendations in report RM 2017:01

On 29 June 2017, the Swedish Accident Investigation Authority (SHK) published its final report RM 2017:01 concerning a near-accident at Visingsö, Vättern, Jönköping County on 15 October 2015 with a Helicopter 16, UH-60 Black Hawk, operated by the Swedish Armed Forces. The report contained eleven recommendations to the Swedish Armed Forces and the Aviation Safety Inspector (RM 2017:01 R1–R11). The Swedish Armed Forces have responded to the recommendations and provided an account of the measures they have taken or intend to take.

SHK considers the responses to be satisfactory and finds that the recommendations have been addressed.
