Assessment of response from Destination Gotland

The 18 December 2014 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published the report RS 2014:11 about the grounding of passengership GOTLAND outside Oskarshamn the 2 January 2014. SHK issued five safety recommendations to the Destination Gotland.

Destination Gotland has responded to the recommendations and has described the measures taken.

SHK considers that the response is adequate and that the recommendations has been taken care of.
