Assessment of Finnlines Ship Management AB's response to the Swedish Accident Investigation Authority's recommendation in the report RS 2016:09

On 14 November 2016, the Swedish Accident Investigation Authority (SHK) published its final report RS 2016:09 FINNPARTNER – Workplace accident, near miss to a very serious accident in the Port of Malmö on 24 November 2015. One recommendation was issued to Finnlines Ship Management AB in this report (RS 2016:09 R3). Finnlines Ship Management AB has responded to the recommendation and provided an account of the action it has taken and intends to take.

SHK deems the response to be satisfactory and the recommendation to have been implemented.
