Assessment; safety recommendations issued to the Swedish Transport Agency, SHK report RL 2014:02

On 17 February 2014 the Swedish Accident Investigation Authority (Statens haverikommission - SHK) published a report, RL 2014:02, concerning an accident at Aitik involving a helicopter Bell 206L-3, registration SE-HVI.

In the report SHK issued a safety recommendation to the Swedish Transport Agency.

The Swedish Transport Agency has replied to the safety recommendation and described the actions it will take due to the recommendation.

SHK consider that the reply of the Swedish Transport Agency is adequate and that the recommendation has been taken care of in a satisfactory manner.

On behalf of SHK,

Jonas Bäckstrand
Chairman of Investigations
