Health and Welfare

SHK's assessment of the reply from the National Board of Health and Welfare

The 3 December 2015 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published a final report (RO 2015:02) concerning an accident with a bus on the national highway 27 south of Tranemo. In the report SHK issued a safety recommendation to the National Board of Health and Welfare (Socialstyrelsen).

The National Board of Health and Welfare has replied to the safety recommendations and described the measures which are planned to be taken.

SHK considers that the safety recommendation has been taken care of. (Closed – adequate response)
