SHK assessment of response from the County Administrative Board of Jönköping (SHK report RO 2017:01)

The 22 February 2017 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published the report RO 2017:01 about an accident with a wind turbine in Lemnhult, Vetlanda municipality. In the report a safety recommendation was issued to the County Administrative Board of Jönköping.

The County Administrative Board of Jönköping has responded to the safety recommendation and described the measures taken.

SHK considers that the response is satisfactory and that the recommendation has been taken care of (closed – adequate response).
