

Interscan Schiffahrtsgesellschaft mbH

SHK report RS 2013:01, cargo shift on board M/V Phantom)

The 26 June 2013 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published the report RS 2013:01 about a cargo shift on board M/V Phantom. In the report SHK issued five safety recommendations to the shipping company Interscan Schiffahrtsgesellschaft mbH.

The shipping company has not responded to the safety recommendations.

SHK closes the file. The recommendations are assessed as closed – no response.

Jonas Bäckstrand
Chairman of investigation
