SHK assessment of response from Swedish Transport Agency (SHK report RJ 2015:03)

The 3 July 2015 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published the report RJ 2015:03 about the derailment of train 4343 between Ovansjö and Alby the 9 July 2014. In the report two safety recommendations were issued to the Swedish Transport Agency.

The Swedish Transport Agency has responded to the safety recommendations and described the measures taken. SHK considers that the response is satisfactory and that the recommendations have been taken care of. (Closed – satisfactory response)
