SHK's assessment of the Swedish Transport Agency's reply to the safety recommendations

The 28 September 2015 the Swedish Accident Investigation Authority (Statens haverikommission – SHK) published a final report (RM 2015:02) concerning a near collision between a JAS 39 Gripen fighter jet and a mast. In the report SHK issued five safety recommendations to the Swedish Transport Agency.

The Swedish Transport Agency has replied to the safety recommendations and described the measures which are planned to be taken.

SHK considers that the safety recommendations have been taken care of. (Closed – adequate response)
