Swedish Accident Investigation Authority
Box 6014
102 31 Stockholm

This document is a translation made by SHK of the original response in Swedish to the safety recommendation. In case of discrepancies between this translation and the Swedish original text, the Swedish text shall prevail in the interpretation of the response.

Regarding the Swedish Accident Investigation Authority's report on the investigation of rescue operations using the helicopters of the Swedish Maritime Administration (RO 2019:01)

The Government Offices (Ministry of Enterprise and Innovation) has received and read the Swedish Accident Investigation Authority's report on the investigation of rescue operations using the helicopters of the Swedish Maritime Administration (RO 2019:01). Since 1 April 2019, the Ministry of Infrastructure is responsible for matters relating to the Swedish Maritime Administration and the agency's activities.

The safety recommendations issued by the Swedish Accident Investigation Authority to the Government and the Government Offices will form the basis of continued consideration within the Government Offices.
