Swedish Accident Investigation Authority's report 2018:01

On 8 March 2018, the Swedish Accident Investigation Authority published its final report RO 2018:01 on a single-vehicle accident involving a bus in commercial traffic south of Sveg, Jämtland County, on 2 April 2017.

The report contains a total of seven recommendations, one of which is for Region Jämtland Härjedalen. The Region has submitted a response to the recommendation.

The measures implemented by Region Jämtland Härjedalen correspond well to the recommendation in the report. SHK therefore makes the assessment that the recommendations can be considered implemented and that the response obtained from the Region is satisfactory.

Best regards,
