

Swedish Transport Agency

## **Report RS 2014:05 of the Swedish Accident Investigation Authority**

---

The 13 May 2014 The Swedish Accident Investigation Authority (Statens haverikommission – SHK) published the report RS 2014:05 about the grounding of M/V Trans Agila in Kalmarsund, Sweden, the 29 November 2012. In the report a safety recommendation was issued to the Swedish Transport Agency.

The Swedish Transport Agency has replied to the safety recommendation and has described the actions it intends to take.

SHK considers that the reply is satisfactory and that the recommendation have been taken care of.

On behalf of SHK,

Jonas Bäckstrand  
Chairman of Investigation
