Assessment of response to safety recommendation

On 14 June 2024, the Swedish Accident Investigation Authority (SHK) published the final report regarding a serious accident with the Jetline rollercoaster at Gröna Lund in Stockholm on 25 June 2023 (SHK 2024:07). In the report, six safety recommendations were issued, one of which (R6) was addressed to the International Association of Amusement Parks and Attractions (IAAPA).

IAAPA has responded to the safety recommendation and described the measures taken.

SHK considers that the response is satisfactory and that the recommendation has been addressed adequately. (Closed – adequate response).

Yours sincerely,

John Ahlberk
Chair of investigation
